

# JOBTRAINER ELIGIBILITY FORM

JobTrainer is a jointly funded initiative of the Australian and state and territory governments.

Students can only access one funded training place to complete an eligible qualification under the JobTrainer Fund. Students may be able to undertake more than one "short course" (skill set) funded through the JobTrainer Fund, depending on any eligibility requirements for the short course, but cannot be enrolled in more than one subsidised short course or qualification at a time.
