RII30820 CERTIFICATE III IN CIVIL CONSTRUCTION PLANT OPERATIONS

CAREER START

The Career Start program provides a public funding contribution towards the cost of training and assessment services for eligible Queensland apprentices and trainees.

To be eligible to receive a government contribution, the apprentice or trainee must:

- have entered into a Training Contract for a qualification that is funded by the department (RII30820 Certificate III in Civil Construction Plant Operations)
- be registered on DELTA with a commencement date or recommencement date on or after 1 July 2020
- select a training provider that holds SAS status for their nominated qualification (Coal Train holds SAS status for the RII30820 Certificate III in Civil Construction Plant Operations)

If you are interested in signing up an employee into a Civil Apprenticeship you will need to address the following:

- Ensure that there is a Supervisor in the workplace that holds a Certificate III in Civil Construction Plant Operations qualification
- Contact an Apprentice Connect Australia Provider (ACAP) to discuss Apprentice eligibility, general information, incentives etc. regarding Apprenticeships (Busy at Work, MRAEL, etc.)
- Upon signing up an Apprentice and selecting your Supervising Registered Training Organisation (SRTO) the Apprentice can then commence training towards their qualification

FEES

Student contribution fees under the Career Start Apprentice program are set at \$1.60 per nominal hour for each unit of competency/module.

Fees are payable by the employer or a third party. If the student pays the fees, the employer must reimburse their trainee within six months of payment. Fee will vary depending on the elective units selected. The fee for the core units will be \$592.00 and for students who have concession or exemptions, contribution fee will be \$249.00. The fee for the elective units will vary depending on the units selected.
